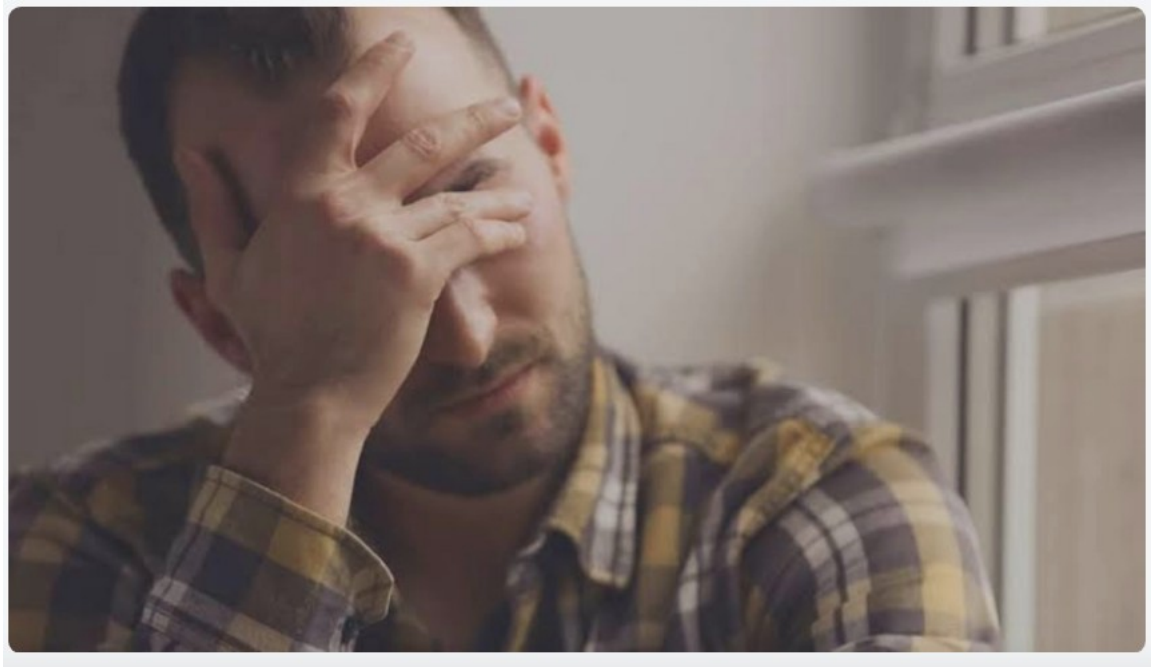
DISCONTENT AMONG PEOPLE TODAY
IS IT A PROPHETIC WARNING
DOES TDS FIT THE PROFILE
OF DISCONTENT AS WELL



I am researching Bible END TIME Prophecy because I like so many others agree that it fits the profile for what is happening ACROSS THE BOARD TODAY in our world.

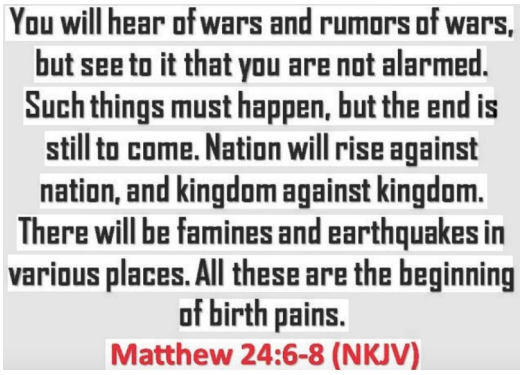
WHATEVER HAS BEEN WILL BE AGAIN

All cultures not just the Jews and Hebrew tribes in the Bible have warned us about the End of The Ages period we are living in today as living in the LAST DAYS.

"What has been will be again" is a famous phrase from Ecclesiastes 1:9, emphasizing the cyclical nature of life, history, and human behavior. Often paired with "there is nothing new under the sun," it suggests that while superficial details change, foundational events and experiences on earth repeat themselves, reflecting a, repetitive pattern in human existence.

-

- Biblical Origin: Tells us that life "under the sun"—meaning life separate from a divine, higher perspective—is a repetitive, or a futile cycle. It illustrates that something went wrong a long time ago on earth that placed mankind on a redemption cycle over and over again and that wicked event involved the <u>FALL OF THE ANGELS THAT BECAME THE ALIENS PEOPLE ENCOUNTER TODAY AND IN THE PAST AS WELL.</u>
-
- Cyclical Nature: Just as nature repeats patterns (sunrise/sunset, rivers flowing to the sea), human events, folly, and accomplishments repeat as mankind seeks to improve itself.
  .
- The phrase there's "Nothing New Under the Sun" implies that apparent high tech societies, innovations or shocking events have likely occurred before in some form. The phrase is often used to highlight that human nature remains constant, leading to the repetition of mistakes and, conversely, successes and failures in an attempt to build a better world and life on earth.



You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come. Nation will rise against nation, and kingdom against kingdom. There will be famines and earthquakes in various places. All these are the beginning of birth pains.
Matthew 24:6-8 (NKJV)

FLYING MACHINES BEFORE THE LAST ICE AGE, YOUNGER DRYAS, POLE SHIFT FLOOD PERIODS 12.500 - 9000 YEARS AGO.

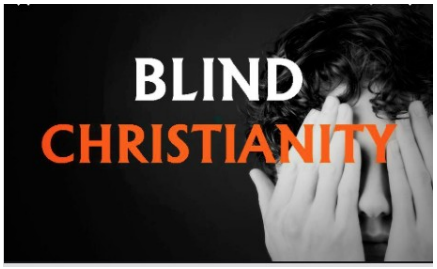
We all know who DO OUR HOMEWORK that a highly advanced civilization existed on the earth before last Pole Shift Younger Dryas, Ice Age, Food periods 12.500 - 9000 years ago. That is no longer debatable the question is WHAT HAPPENED TO IT.

All ancient cultures talked about the last time the EARTH MOVED and how their cultures had to begin AGAIN.

End Time Prophecy IS NOT THE END OF THE WORLD it is the end of various ages that are converging today, just as global prophecies have predicted. This time frame brings with it global catastrophic earth changes. Other cultures have warned us about this time because it is part of their history as well. The Bible version is a prophetic warnings from the Jews and Hebrew tribes whose history goes back thousands of years to events that happened before the last Pole Shift Younger Dryas, Ice Age, Food periods 12.500 - 9000 years ago.

These prophet warning they received about the End of the Ages seem to be coming from the GOOD GUYS who are Jesus WATCHERS and the BAD GUYS who the Jews referred to as

the Annanaki gods aka the FALLEN ELOHIM WATCHERS and Yahweh Ildabaoth the Demiurge. They were the RE-CREATOR gods found in the Book of Genesis and through out the Old and New Testament.

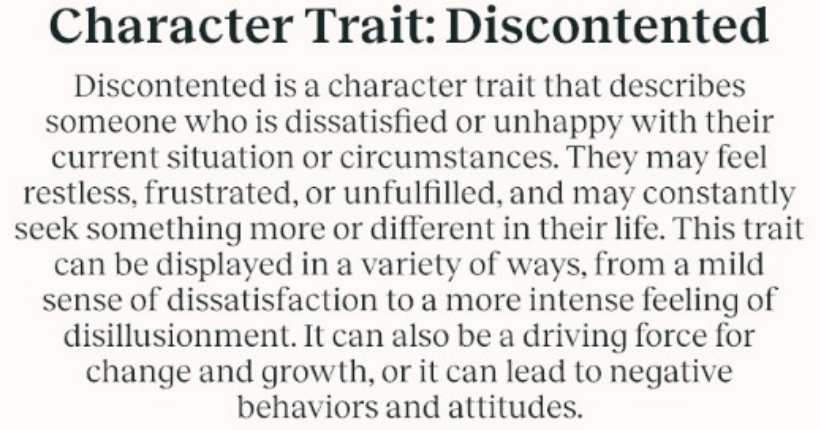


The SLEEPING SHEEPLE Christians today have no idea that the gods of the Old Testament are aliens. It looks like this information is being kept from humanity because we are not supposed to know who is RUNNING THE SHOW and because these aliens intend to STRIKE AGAIN with their lies, deceptions and cataclysmic events. Jesus and the Apostle Paul referred to these aliens as the evil "Powers and Principalities of the world."

Those who keep these secrets are hybrid bloodlines whose job it is to install Communism aka Babylonism globally while covertly being guided by these evil beings we call aliens today.

UNREST, DESCENTION, HATRED AND MURDER ARE PART OF THIS PERIOD OF UNREST WE ARE LIVING IN TODAY

Prophecy, particularly from a biblical perspective, describes current widespread discontent as a defining characteristic of the "last days" or the "end times". It is depicted not only as political or economic unhappiness, but as a deep, spiritual crisis marked by ungratefulness, a love of pleasure, and a loss of inner peace, sometimes referred to as a "hellish sin" of discontent, restless, dissatisfaction, disrespect in general and hatred amongst man.



Character Trait: Discontented
Discontented is a character trait that describes someone who is dissatisfied or unhappy with their current situation or circumstances. They may feel restless, frustrated, or unfulfilled, and may constantly seek something more or different in their life. This trait can be displayed in a variety of ways, from a mild sense of dissatisfaction to a more intense feeling of disillusionment. It can also be a driving force for change and growth, or it can lead to negative behaviors and attitudes.

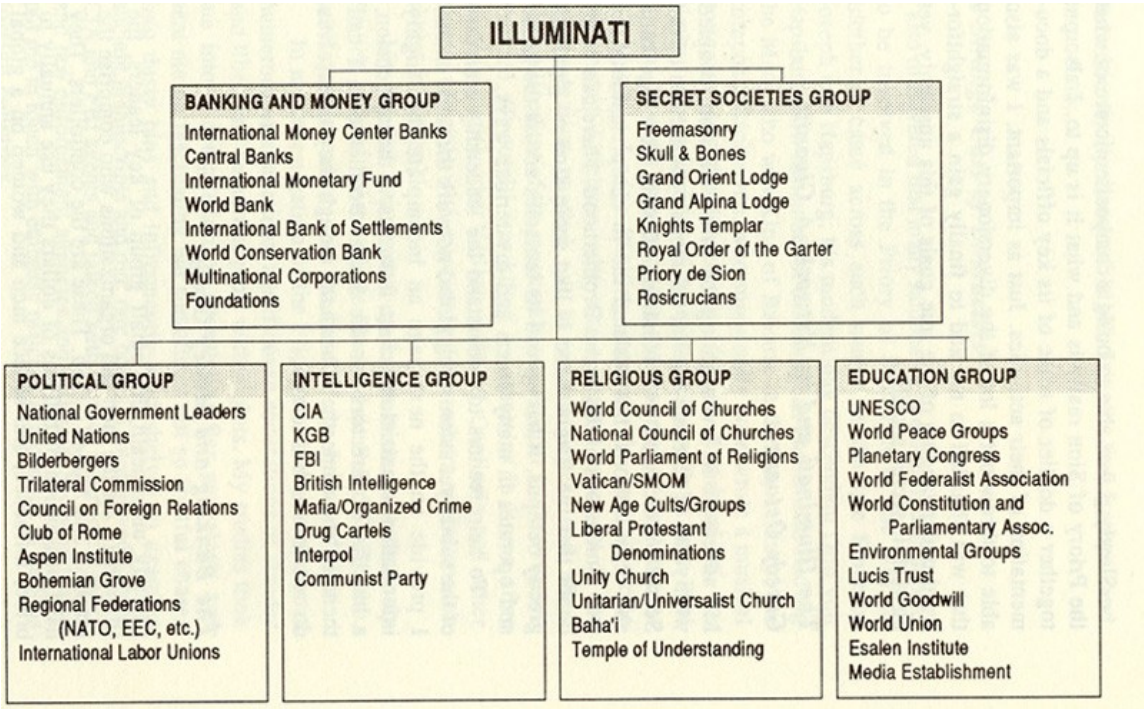
KEY PROPHETIC INTERPRETATIONS OF MODERN DISCONTENT AND ANGER SEEM TO BE PART OF THE "BEGINNING OF BIRTH PAINS" IN PROPHECY WHICH SIGNALS ANOTHER CATASTROPHIC EARTH CHANGE IS GOING TO TAKE PLACE AGAIN SOON

JESUS WARNED US THAT THIS ONE WOULD BE THE BIG KAHOONA. That mankind has never scene this kind of catastrophic destruction in the pas that will be coming.

-
- Contemporary prophecy interpretation, such as that by Dr. David Jeremiah, often frames this era of discontent as the "beginning of birth pains," where global tension, escalating conflicts, and divided EVIL societies act as catalysts for increasing unrest.
-
- **A "Hellish" State of Being:** Discontent is interpreted as a manifestation of pride, rebellion, and unbelief, mirroring the restless nature of hell itself (never at peace, always frustrated). It is described as a "grumbling" and "malcontent" spirit that pervades society when people are not happy with what is happening in their lives. They blame others and they blame their god.
-
- **The "Love of Self" and Materialism:** Prophecy suggests that people are turning away from spiritual fulfillment to focus on selfish desires, causing a "void" that leads to greater unhappiness. This seems to be happening because

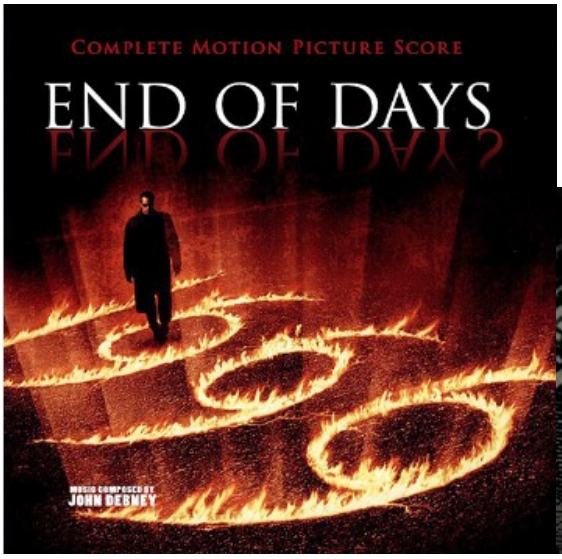
of a "love of pleasure where they learn to love things and are mentally void.

-
- **The Gods-Stirred" Discontent:** If you really look into these prophetic perspectives they suggest these evil gods are behind the scenes stirring up a holy pot of discontent among their believers today. They seem to be doing this to wake them into "spiritual apathy and weariness," "The gods" are preventing them from being fully satisfied with the current state of the world or their lives to move them into hate and tyranny.



<u>THE GROUPS UNDER THE CONTROL OF THESE EVIL ALIEN GODS INCLUDE</u>

THE SERPENT SEEDS AKA BLOODLINES



Though the term illuminati has been most closely associated with the 18th-century movement of republican free thought in Bavaria, the word has in fact been in use since the late 15th century to refer to various groups. One of the early illuminati groups was the Alumbrados ("Enlightened Ones"), whose movement began in Spain in the 16th century and had ideological roots in gnosticism. A very early leader was María de Santo Domingo, a prophet and mystic who claimed to converse directly with Jesus Christ and the Virgin Mary and was tried under the auspices of the Inquisition. Politicians and their evil societies are being activated today who want to rule the world and to do whatever they have to do to bring in dissatisfaction, danger and discontent in order to start revolutions. Once they are successful, they will introduce us to their alien gods who appear to come in as saviors.

We have been warned about a FAKED ALIEN ATTACK COMING SOON. Prophecy seems to be telling us that the Jewish alien god Yahweh Ildabaoth the Demiurge may hit the tarmac first in Israel after the Gog and Magog wars starts and probably during the last battle known as the Battle of Armageddon.
